“Law of Attraction”

The idea is that you will attract what you believe you will attract, you will attract what you affirm, you will attract people like you, etc. It’s the “visualize it and it will come” idea. When done apart from Prayer, it is normally considered “occultic” by most Christian commentators, but, when coupled with Prayer, Christians have their own versions. The “Christian” versions include “name it and claim it” or “living by faith.”

**How Does The Law of Attraction Really Work? Example:** Buy a Car. If you decide to buy a particular car or actually buy that car, most people report suddenly seeing that make and model “all over” whereas beforehand they did not notice them. Questions: Did you make the cars appear by the power of your Mind? Were the cars always there and now you are noticing them?

**Using the Law of Attraction. IYEI,YWSI:** \_\_\_\_\_ - No Matter What “It” Is.

If You Expect It, You Will See It  
If you believe in Abundant Opportunity, you will see Opportunity All Around You.  
If you believe in No Chance to Get Ahead, you will see Obstacles and Miss the Opportunity.  
One way to create an Abundance Mentality: Tithe. This is promoted by secular teachers on financial abundance as well as religious teachers. It is not “just” a Biblical Concept! “Letting Go” of 10% creates the sense of “I can let go of this because there’s plenty - and I can get more!” *Cracking the Millionaire Code* even went so far as to say that what you can give is the Real Purpose of a business!
